

Create Task - Can Fairy Tales Be Real?

What do you think? Can fairy tales be true? Let's use our imaginations and try to prove they can be! Here's what you'll do: create your own fairy tale based on something real.

Start with something true. Think of your friends or family members. Some of them might be pretty funny or interesting, so turn them into characters for your fairy tale. Take a real story that happened, then add some magic—maybe talking animals, a fairy, or even a castle.

Have fun turning the people you know into fairy tale characters!

to the tree but it was not stable so Tom climbed up the ladder and fell. Mum and Dad rushed to Tom and went to the hospital and after the results came in Tom had broken his arm. It was bruised so when Tom got released, they went back home.
